Cremond, Boston, Mass., for nine years a nurse in hospital and private cases.

Vinol is not a patent medicine, but a real cod liver preparation, and the reason that Vinol has such power to heal and strengthen is because it contains in a highly concentrated form all of the curative, medicinal and strength-creating elements of cod liver oil, actually taken from fresh cods' livers, with the useless, nauseating oil eliminated and tonic iron added.

As a body-builder and strengthcreator for old people, delicate children, weak, run-down persons, after sickness, and for Chronic Coughs, Colds, Bronchitis, and all throat and lung troubles, Vinol is unexcelled.
